

# Adventure Time

**Attention all bushwalkers, climbers, cavers, mountain bikers, canyoneers, kayakers and general outdoors fanatics!**

On the **12<sup>th</sup> of September**, from **7.30pm**, we're hosting what we hope will become a monthly meet up of Sydney's outdoors community and local adventurers.

On the night we'll have talks by:

## **Lucky Chance**

Whether it's his free solo climbs, epic BASE jumps, or his antics on the death swing, everyone's seen footage, read about, or heard of Lucky's exploits. Rock climber, BASE jumper, circus acrobat and high liner, Lucky Chance will be taking us through a selection of his adventures around the world. Got a question? Go for it, he's assured us nothing is sacred.

## **Deborah Johnston**

Ever wondered what depths a desperate person will sink to when struck by 'virgin cave fever'? Well wonder no longer as Deborah Johnston from SUSS awes and horrifies with a tale of struggle, filth, discovery and glory from a cave diving expedition in the Nullarbor Plains.

There'll also be a screening of a short (outdoorsy) film, slack lines, beer, a BBQ, maps and note pads for recording new trip ideas, and a ball pit!

## **What to bring:**

- Ideas for new trips
- Any mates you have who might be interested
- Your own liquor, or money for a donation to have some of ours
- Money for the BBQ

## **Where is it?**

The Hutch, a warehouse just up the road from St Peters climbing gym: **12 Hutchinson St, St Peters**
